

Power Up

Young Dro

Power up, I been gone for a minute I had to
Power up
Tell these niggas that they hour's up
I been gone for a minute I had to, power up
I been gone for a minute I had to, power up
I been gone for a minute I had to, power up
Tell these niggas that they hour's up
Aye where you been? Had to power up

Had to power up, out the Yucatan, I'm a hooligan, look at these
I don't need car keys, everything on my wrist look frosty
Cross me, bitch look bossy, nigga you don't know what this cost me
Uh, been through shit, show you how it feel on my mental shit Made me wanna
rip through shit, yeen down in the struggle then forget you bitch
All on my toes, hold up hoe, who sent you bitch?
Kill em, flavor, flavor, mix it wit swag, callin' me swavor
Shoe, tailor, tailor, these are my crocs, these are my gators
I am a beast, let me release, I kill 'em all wit my ammo
They call me commando, Mr. went Rambo [?]
These are the standards, you can get handled
Nigga welcome to Atlanta, mob ties
You see it, you see it, you see it, Dro Soprano

Power up, I been gone for a minute I had to
Power up
Tell these niggas that they hour's up
I been gone for a minute I had to, power up
I been gone for a minute I had to, power up
I been gone for a minute I had to, power up
Tell these niggas that they hour's up
Aye where you been? Had to power up

Dro, rappin' on A-List, you B-List, see this that straight drop D shit
What up though, hit em up, go for the gusto
Make me go crazy nutso, keep it on hush though
My nigga right there, he a shooter he don't talk too much though
They wonder why I got a lot of bottles, I been on the charger, let's go
One, warning, don't try me
Two, cock back, I'm firing
Three, bow, crazy, pull up in the Benz, eyes lazy, uh
I be walking on rappers, clip in, smokin' on rappers
Its a disaster, I am the master and I'm killin' em backwards
Wait till I get you, I'm gonna give you your lyrical issue
Wait till I pull it, spit it, these are the bullets, ripping your tissue
They will not miss you, they do not hear you
I kilt all your homies, your homies, your homies
They are not near you

Power up, I been gone for a minute I had to
Power up
Tell these niggas that they hour's up
I been gone for a minute I had to, power up
I been gone for a minute I had to, power up
I been gone for a minute I had to, power up
Tell these niggas that they hour's up
Aye where you been? Had to power up
