Young Empires

When I fall from grace and the damage is done  
[?] myself is raging  
Oh, it's hard to fake what I've become  
My blood runs with the [?]

Yeah, I know that what I said don't mean a thing to you right now  
Lust ain't love, lust ain't love  
But touch the flame, you might get burned  
It's not your fault, it's just your turn  
Lust ain't love, lust ain't love

All your friends say maybe you should stay away  
But I ain't ever gonna change  
Baby, understand, I make mistakes  
Promises were made to break  
I don't wanna end this way  
I'm doing all I can  
I'm doing all I can

I'm the wolf at bay with a loaded gun  
I'm yours for the taking  
Change your fate for an hour of fun  
Promises forsaken

But touch the flame, you might get burned  
It's not your fault, it's just your turn  
Lust ain't love, lust ain't love

All your friends say maybe you should stay away  
But I ain't ever gonna change  
Baby, understand, I make mistakes  
Promises were made to break  
I don't wanna end this way  
I'm doing all I can  
I'm doing all I can

Now when I confess all of my regrets  
No, I won't let go, no, I won't let go

All your friends say maybe you should stay away  
But I ain't ever gonna change  
Baby, understand, I make mistakes  
Promises were made to break  
I don't wanna end this way  
I'm doing all I can
