

# The Unknown

Young Empires

There's nothing left to say  
There's nothing left to do  
So send me on my way  
Don't come to my rescue  
You're like the darkness before the dawn

Oh, oh, oh, oh, oh, oh, oh  
The unknown, the unknown  
Oh, oh, oh, oh, oh, oh, oh  
The unknown, the unknown

Go down the way, don't stop it  
As the fires turn to ashes  
The unknown, the unknown  
The unknown, the unknown

Turning a new page  
It's the start of something new  
We've gone our seperate ways  
But I still think of you

You're like the darkness  
Before the dawn  
Now I need some ground  
To stand on

Oh, oh, oh, oh, oh, oh, oh  
The unknown, the unknown  
Oh, oh, oh, oh, oh, oh, oh  
The unknown, the unknown

Go down the way, don't stop it  
As the fires turn to ashes  
The unknown, the unknown  
The unknown, the unknown

War came our way (in the darkness)  
War came our way

Go down the way, don't stop it  
As the fires turn to ashes  
The unknown, the unknown  
The unknown, the unknown

Go down the way, don't stop it  
'cause the fires turn to ashes  
The unknown, the unknown  
The unknown, the unknown
