## Young Fathers

Hear the beat of the drums and go numb  
Have fun  
Go on  
We don't need all the ones to have won  
So have one  
Someone

Hear the beat of the drums and go numb  
Have fun  
Go on  
We don't need all the ones to have won  
So have one  
Someone

They're gonna get ya either way  
Whether you cry about today or die another day  
I'd rather sleep, but they say better stay awake  
Faded colours turn to shade  
Turning matter into clay

I foiled the mission  
No superstition  
I am the vision  
Young, black, gifted with ambition  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Got all the wishes like al-o-wishus  
But I'm Alloysious Massaquoi  
Straight from the void

So I'ma get me  
Some  
So I'ma get me  
Tons  
I never claimed to be no role model  
Son  
I never claimed to be no role model  
But I love my ma  
And now I'm done

Hear the beat of the drums and go numb  
Have fun  
Go on  
We don't need all the ones to have won  
So have one  
Someone

Omo dapọ  
Se o ti de ile

Se o ti de ile  
Sọrọ sókè  
Sọrọ sókè

Go on  
We don't need all the ones to have won  
So have one  
Someone  
We don't need all the ones to have won  
So have one  
Someone  
And then some  
And then some  
And then some  
And then some

He told me  
Get you a son  
Get it for free  
Get you some  
Get you a son  
(So I'ma get me some) Get you a son  
(So I'ma get me some) Get you a son  
(So I'ma get me some) Get you a son  
(So I'ma get me some) Get you a son
