

# I Heard

Young Fathers

Science is eerie when you're still around  
Killing your body cause they found you out  
Calling the shots and I'm falling down  
Look at the dust explode on the ground

I'm there, I'm there, I'm there, I'm there, I'm there, I'm there, und  
er, I'm THERE  
I'm there, I'm there, under, I've heard  
I've heard, I've head  
I've heard, I've head

Inside I'm feeling dirty  
Inside I'm feeling dirty  
Inside I'm feeling dirty  
It's only cause I'm hurting

Telephone the father sat on the armchair with a pint and a smoke  
Sure, no more back-  
handed compliments but the dishes are still in the sink  
Walk towards the door and there's an empty dresser, time to bring out  
the duster  
Left with a bone and a smile to last you a while  
Rest a shore captain from your sea of travails

Inside I'm feeling dirty  
Inside I'm feeling dirty  
Inside I'm feeling dirty  
It's only cause I'm hurting
