

Got a song for you it's on my stereo,  
Got a red light, don't stop, go, go,  
Got a run it tonight  
Gonna tell her tonight  
Gonna rumble over my cool punk girl

Because you wear my jacket girl  
Yeah! Because your riddin' my car girl,  
Gonna Prove I'm a man, can't you understand?  
Gonna Prove I'm a man, can't you understand?  
Yeah! your right girl  
Your outta sight girl  
Yeah! your right girl  
That's why we're in trouble tonight

I'm in love, I'm alive, I'm in love, I'm alive,  
Starlite, baby burn so bright  
I'm in love, I'm alive, I'm in love, I'm alive,  
Starlite keep me hanging on tight  
I'm in love, I'm alive, I'm in love, I'm alive,  
Starlite, baby burn so bright  
I'm in love, I'm alive, I'm in love, I'm alive,  
Yeah Yeah Yeah

Ooooh, because your hot rod, go, go  
Gonna riff-raff, downtown, rock show,  
Gonna run it tonight, gonna total tonight,  
Gonna rumble over my cool punk girl

Yeah your right girl  
Your outta sight girl  
Yeah your right girl  
That's why we're in trouble tonight

I'm in love, I'm alive, I'm in love, I'm alive,  
Starlite, baby burn so bright  
I'm in love, I'm alive, I'm in love, I'm alive,  
Starlite keep me hanging on tight  
I'm in love, I'm alive, I'm in love, I'm alive,  
Starlite, baby burn so bright  
I'm in love, I'm alive, I'm in love, I'm alive,  
Yeah Yeah Yeah

Gonna Prove I'm a man, can you understand?  
Gonna Prove I'm a man, can you understand?  
Gonna Prove I'm a man, can you understand?  
I've gotta prove I'm a man, can you understand?  
You make me fell like a man, can you understand?  
You make me fell like a man, can you understand?  
You make me fell like a man, can you understand?  
You make me fell like a man, can you understand?
