Young Jeezy

From a boy to the man  
To a quarter from a gram  
From a dollar to a grand  
Now we blow the shit on pants  
I can't stop, won't stop, bossing up  
Can't stop, won't stop, bossing up  
Can't stop, won't stop, bossing up  
Bossing up, bossing up  
Can't stop, won't stop, bossing up  
Can't stop, won't stop, bossing up  
Can't stop, won't stop, bossing up  
Bossing up, bossing up

I don't trust no nigga, I don't trust no bitch  
All I do is get money, rock ice, and talk shit  
Shoes cost 12 but I'm sitting in the 6  
Can't take no L home, I'm tryna get rich  
Hit the bar for a drink but I left with a chick  
Hit Cali for a trip but I left with a flip  
Hit the jewelry store then I left with a kid  
Then I walked in the spot looking like a whole brick  
Payroll bitch, Payroll bitch  
White Benz out front, that's the mayo whip  
The built up blocks and some [?] shit  
She'll get murdered now fore I say so bitch  
Rich nigga, rich nigga, quick flipper, spit dealer  
Iced up in the VIP nigga, big fish to you shrimp niggas

I don't fuck with no suckers, I don't fuck with no lames  
Niggas turn state and they ain't got no shame  
Gave your man up for some short lived fame  
But you're a broke ass nigga wearing fake ass chains  
Black tee nigga, wearing [?]  
New shit real, Dre and Mac turned feds  
Admit it bro, just imagine what he said  
Had the DEA sitting round, imagining the bread  
Rolls gold [?] nigga, not one stone  
Short Glock 40 with the clip that's long  
When you talk to me nigga better watch your tone  
Drunk all the PJs, bout to crack that dome  
Glock 40 with drum, that's GI Joe

Wrist game strong, that [?] shit
