

# Damn Liar

Young Jeezy

I got some real bitches with me for patrone we on that avion  
I'm talking real jury nigga fuck that shit got a mercedes on  
No timers in my watch damn right it cost a jaguar  
Seat up in that 'rari thing that be faster than a race car

You's a God damn liar, you's a God damn liar  
Thinking I ain't getting money you's a God damn liar  
Thinking we 'bout that life that you's a God damn liar  
If you think we think it twice you's a God damn liar  
You's a God damn liar, you's a God damn liar  
Thinking we ain't counting money you's a God damn liar  
Thinking we ain't getting money you's a God damn liar  
If you think we think it twice you's a God damn liar

Hoes gonna be hoes, and niggas gon' be niggas  
Hussles gon' be dealers, and niggas gon' pull triggers  
Yeah how much I deny rest, I can not collect  
If you ain't got no money just pay me in respect  
Martin Luther, Malcom Young ye I pay the way  
Niggas acting like I'm still gon' hop out of that cake  
Man I can't even sleep too busy parting on you busters  
If I'm ever in the spot ain't no balling on you suckers  
If a nigga tell you different then he motherfucking lie  
Bitch I do this shit until I motherfucking die  
Hopped off the porch when I was 20 get no rest  
If I ever lie then let them 40's hit me in my chest

You's a God damn liar, you's a God damn liar  
Thinking I ain't getting money you's a God damn liar  
Thinking we 'bout that life that you's a God damn liar  
If you think we think it twice you's a God damn liar  
You's a God damn liar, you's a God damn liar  
Thinking we ain't counting money you's a God damn liar  
Thinking we ain't getting money you's a God damn liar  
If you think we think it twice you's a God damn liar

Nigga you a liar, and you motherfucking know it  
And all that gangster shit you niggas talking yea I'm for it  
They hating ass shit, oh don't get you so fucked  
Then you turn around and look around and nigga there you are  
In the same damn place, damn right with no progress  
To be this nigga here, it takes a process  
First you got to hit the block like a real nigga  
Then you gonna hit the booth and straight kill niggas  
I don't feel niggas but you bet they felt me  
Be a cold day in hell before they melt me  
Got my first glock then hit the block ain't get no rest  
If I ever lie then let them 40's hit me in my chest

You's a God damn liar, you's a God damn liar  
Thinking I ain't getting money you's a God damn liar  
Thinking we 'bout that life that you's a God damn liar  
If you think we think it twice you's a God damn liar  
You's a God damn liar, you's a God damn liar  
Thinking we ain't counting money you's a God damn liar  
Thinking we ain't getting money you's a God damn liar  
If you think we think it twice you's a God damn liar

How you going for it and you know these niggas lie  
Half the hood locked up, and the other half dying  
These lying ass rappers man I swear these niggas trying  
Just to make it another day nigga everybody trying  
So fuck the world now nigga who in it and who ain't with me  
I'm bound to fuck count the federalies come and get me  
This shit ain't the game shit here's the game  
I'm talking real jail, real prisons and everything  
That's why I put the God on this truth and every bond  
Time is cold out here got a heater in every car  
See my first quarter mill when I was 20 ain't get no rest  
If I ever lie then let them 40's hit me in my chest

You's a God damn liar, you's a God damn liar  
Thinking I ain't getting money you's a God damn liar  
Thinking we 'bout that life that you's a God damn liar  
If you think we think it twice you's a God damn liar  
You's a God damn liar, you's a God damn liar  
Thinking we ain't counting money you's a God damn liar  
Thinking we ain't getting money you's a God damn liar  
If you think we think it twice you's a God damn liar
