

# Expectations

Young Jeezy

J.U.S.T.I.C.E. League

First mistake is actin' like we really enemies  
I'm a boss, you ain't got that type of energy  
Like the boy Messi, I'm out your league, nigga  
Go on, kick rocks, smoke your lil' weed, nigga  
I only got one job, nigga, that's bein' Jeezy  
And one thing about it, I make it look easy  
Fuck you talkin' 'bout? You's a grown man  
Puttin' your expectations on a grown man

No fucks given, that's the birthplace  
You weren't the nigga for the job in the first place  
You only had one job, you tryna be a rapper  
That's like Palm Beach County tryna be Alaska  
I lost millions when that nigga left them guns on that bus  
And I ain't say shit when they put me in them cuffs  
So run your smear campaign 'til you get tired  
Then you can tell them folk the truth, how you got fired  
Ten million in bail, two weeks in a cell  
'Cause you ain't do your job, nigga, shout-out to my lawyer  
Conflict of interest, yeah, I'm old-school  
Any nigga hire you is a damn fool

Fuck we talkin' 'bout? You's a grown man  
Puttin' your expectations on a grown man  
Damn right, I'm a hustler's hustler  
Them expectations be a motherfucker  
How you blame another nigga for your whole life?  
Bet a thousand, shoot a thousand, nigga, roll dice  
Damn right, I'm a hustler's hustler  
Them expectations be a motherfucker

Niggas must be on drugs, where the mollies at?  
I'm just glad they don't know where the bodies at  
I dare you motherfuckers to name one time  
That it went down that I wasn't on the front line  
It was just a flesh wound, nigga, quit cryin'  
Even gave you severance pay, nigga, stop lyin'  
Let's pick a word, I'ma goin' ahead with "Blame"  
How a grown man blamin' you for everything?  
Blame ain't the strategy for a meaningful life  
And the crazy part about it, nigga think he right  
What you thought I was gon' magically make you rich?  
And when that fell, that just magically made you switch?  
Wrong mindset, you talkin' with your hand out  
Couldn't have been me, I would've took the main route  
Damn right, nigga, I'm a hustler's hustler  
Them expectations be a motherfucker

Fuck we talkin' 'bout? You's a grown man  
Puttin' your expectations on a grown man  
Damn right, I'm a hustler's hustler  
Them expectations be a motherfucker  
How you blame another nigga for your whole life?  
Bet a thousand, shoot a thousand, nigga, roll dice  
Damn right, I'm a hustler's hustler

Them expectations be a motherfucker
