Million dollar worth of game nigga that's word to Walo
Nigga servin' twenty of them, bet they all was hallow
Imagine that duct tape filled up with sheet rock
'Bout to find a old dog show me how to rerock
Nah can't condone what the nigga did

Got it out the mud
Yeah, I'm talking with no gloves on
Platinum in the kitchen even when my Auntie was home
Fumes everywhere trying not to get my buzz on
Throw this in the safe then I'm goin to get my club on
Iced out Cuban links, nah, they ain't from Cuba
Limo cut AP, niggas thought I was a jeweler
Ice, ice baby, gotta keep it in the cooler
What's on your Prada belt
Glock forty with the ruler
Roe showed me the whip game
Damn right he was my mentor
Even when I bought two
Showed me how to get four
I was on my mother fuckin' way, nigga, yeah
We here now
For that I'm forever grateful, nigga
Let's go
