

How Deep

Young Jeezy

How deep is your love?
How deep is your love?
How deep is your love?
How deep is your love?

Niggas tryna stop me, they should quit
All I need is a scale and a fork, I'm still the shit
Told my uncle Bo slick
Look I need a light dub
I'll pay you back on Friday, that's my word, that's what it was
Took that twenty dollar bitch, made myself a millionaire
I-75 Boy, them canines everywhere
Gold mouth got popped
My own cousin set us up
Just give me the word and I'ma mother fuckin' wet him up
Tell me who to trust when you can't trust your own fam?
I don't trust my own
I could give a goddamn
Pack off in my auntie house
But I think she stealing though
Ain't no mother fuckin' love
Can't explain that feelin though
Now that's deep

How deep is your love?
How deep is it?
What you willing to do?
(How deep is your love?)
Huh
Get numb to it after a while
(How deep is your love?)
I lost so much shit to get here nigga
(How deep is your love?)

Niggas say I switched up
I say them niggas need to stop
West side movin' gang
Scrappy know I rep the block
I was screaming eight-ball
They was screaming gangsta crip
Unmarked flashing lights
The only time a gangsta dip
Said I would be legendary
Guess I wasn't lying though
Still on until then, I guess I keep that iron though
Little man he crossed me out
Played me for a nine though
Gangster can't out flex me
I was shootin' like I'm Rondo
Broad day, had that forty bangin' on the highway
Won't stop, won't quit until they see it my way
Alfred caught a fed charge
I dropped him off to do his time
My Lexus to the jail house
Mother fuck twelve, we still going shine

How deep is your love?

How deep is your love?
How deep is your love?
How deep is your love?
How deep is your love?
How deep is your love?
