Couple niggas made a career working the bowl  
They say they give gave this test to be told and never sold  
Bow our heads and take a min to pray for these lost souls

Seen it with my own eyes know them bitches made a mill  
One hundred black shirts I know them niggas spent a mill  
Lil Oowee yeah I heard he just got 39  
Even though the nigga young, still a whole lot of time  
He used to run with D Boy, they messed around and cut his penis off  
Gave that boy a big bag like he ain't seen the soft  
Left and came back in a silver Rarri, in a black range  
Seen 'em at the Chevron on 10th street and it was strange  
Hope he don't bring his 'lil brother in he gonna regret it
