

# Modern Day

Young Jeezy

Being black nigga is just like a modern day crime  
Modern, modern day crime

They say I fell off, I bounced back  
I got it in me  
Hustle fully automatic, dawg, don't do no semi  
Seven day grind theory, dawg hustle-viili  
That's why I got that thug motivation 'cross my belly  
You confusing me with them, dawg, must be a mix up  
Lots to celebrate, yeah, pour me up a big cup  
Nigga, I ain't dead, I ain't in the penitentiary  
All the shit I did, yeah, I coulda did a century  
Nigga, I was plotting on this in elementary  
Third period holding my vision pockets empty  
Please don't tell me I can't do it, that would tempt me  
What you know about adversity? I tell 'em plenty

All these chains on, feel like a modern day slave  
Ten year sentence, that's a modern day grave  
Real estate nigga, that's a modern day flex  
Seven figure nigga, that's a modern day check  
Self made nigga, that's a modern day grind  
Being black, nigga, that's a modern day crime  
If he got a badge that's an modern day opp  
Motivation 'cross my belly like a modern day Pac

A soldier dies one time, coward dies a million  
Came back reincarnated, what a feeling  
Forever I'm immortal, naw, you can't kill my spirit  
Why they always hating on your name, 'cause they fear it  
Gave them all of me like John, I'm a legend  
Word to Bush drug war, nigga, I'm a veteran  
Post dramatic stress from the pain, I need some morphine  
Cash rules everything around me, need some more cream  
If I die tonight, wonder if heaven got a ghetto  
Me and my girlfriend on brown liquor getting mellow  
Sipping brown, blowing green, yeah that thug passion  
Y'all thought that I was done done, that's all a thug asking

All these chains on, feel like a modern day slave  
Ten year sentence, that's a modern day grave  
Real estate nigga, that's a modern day flex  
Seven figure nigga, that's a modern day check  
Self made nigga, that's a modern day grind  
Being black, nigga, that's a modern day crime  
If he got a badge that's an modern day opp  
Motivation 'cross my belly like a modern day Pac

All these chains on, feel like a modern day slave  
Like a modern day slave  
Being black, nigga, is like a modern day crime  
Modern, modern day crime  
Self made nigga, that's a modern day grind
