

# Most Hated

Young Jeezy

(Gangsta Grillz)

Hunnid on my wrist, thirty in that clip  
I'ma push one button, swear to god, top just gon' flip  
Pink slips, no leases, fuck it I'm facetious  
When this shit drop, I ain't 'bout to be doin' no more features

I don't like them niggas anyway  
I say, "Fuck them niggas" everyday  
When you see me, you don't see me  
Yeah, bitch nigga, better look the other way  
Call of duty, this is not a game  
F and N knock you out the frame  
Sig' on me, it'll do the same  
Big dog in a phantom, hoggin' lanes  
Fuck 'em all, got on all the chains  
Went legit, still thinkin' 'caine  
Niggas try to count a nigga out  
Last time you seen a nigga count  
I don't like them niggas anyway  
I say, "Fuck them niggas" everyday  
I'm the type a nigga make a phone call  
Send them niggas in a Chevrolet

I'm so faded  
Bottles gold plated  
Tonight we celebrate it  
I'm the most hated

Me, I'm the voice and I'm hated the most  
Been would've slid, we in war with a ghost  
Lied in the police department, denied, that nigga was scared to go do a show  
We lap in the winter, it's easy to think you not lackin' in snow  
Brodie be cappin', you know he a napkin  
You know he gon' (Brrr) wipin' his nose  
Yeah, I be hearin' the rumors, like niggas be havin' me scared  
That shit be havin' me dead  
Niggas be askin', "What happened to Virgil?  
Like, nigga, what happened to two of your mans?  
Brought me the body, he lookin' me right in the eyes and he told me he'll do  
it again  
Go on a hit and you miss, shit, I bet you not goin' again  
I'm from the Raq and we not preachin' 'bout killin', we tappin' them right o  
n the back  
I'm from the Raq, bro, this ain't wifey, you pickin' me up, she gon' get in  
the back  
You listen to preachers and teachers, you listen to all of your bitches, I l  
isten Yak  
They want that blow, aye bro, throw on Sno, the city wanna hear that crack,
