

# My Intentions

Young Jeezy

J.U.S.T.I.C.E. League

They been talkin' shit about me all day (All day)  
So much that I paid it some attention ('Tention)  
Bu they forgot the fact of one thing (One thing)  
That maybe that wasn't my intentions  
Yeah, yeah, uh-huh, uh-huh  
That just wasn't my intentions

Yeah  
Uh-huh, look  
Damn, dog, I thought I was your man, dog  
Us three together we had a plan, dog  
Pardon me, I'm sippin' on this brown liquor  
You know that shit that make you tell the truth quicker  
You let them niggas in your ear like I was holdin' you back  
Like it's the first of the month and I was holdin' your crack  
U.S.D.A., nigga, yeah, you know the clique  
We was supposed to change the world, nigga, me, you and Slick  
Five hundred thousand sold, just to say the least  
Billboard certified, goldier than your teeth  
Phil Jackson shit, yeah, I call that there a win  
You should be happy, nigga, I just wanted you to grin  
We on the same team, you in some type of competition  
We got the same orders, but you on another mission  
I know you wantin' a response. Here it is: "Merry Christmas"  
Still love you, nigga, I'm just gon' do it from a distance

They been talkin' shit about me all day (All day)  
So much that I paid it some attention ('Tention)  
Bu they forgot the fact of one thing (One thing)  
That maybe that wasn't my intentions  
Yeah, yeah, uh-huh, uh-huh  
That just wasn't my intentions

Main man, you know we had a game plan  
Proud of you, homie, you a changed man  
'Cause back then you couldn't stay out of trouble  
Only made my anxieties and stresses double  
I know you didn't peep that you was bringin' too much heat  
Them indictments comin' down, I could barely even sleep  
Yeah, Shawty Red was on the track, but I still had the pack  
So you in and out of jail wasn't helpin' me relax  
Plus, I didn't have the time 'cause I was runnin' out of time  
Can't be dealin' with your bullshit when I'm dealin' with mine  
They picked O Dog up, now I'm really paranoid  
Moved everything the same day, my whole condo void  
I know you heard it in my tone, collect calls on the phone  
Guess I built resentment, nigga, you left me all alone  
Voice box of the block, as loyal as they come  
Speakin' of loyalty, you should've taught them niggas some

They been talkin' shit about me all day (All day)  
So much that I paid it some attention ('Tention)  
Bu they forgot the fact of one thing (One thing)  
That maybe that wasn't my intentions  
Yeah, yeah, uh-huh, uh-huh

That just wasn't my intentions
