

Niggaz

Young Jeezy

Niggas all the same
Niggas play them games
We don't do priorities
Niggas want the fame
Niggas take the mortgage money
And buy 'em a new chain
One thing about a broke nigga
They just gon' complain

Nigga just killed that nigga
Nigga just pulled that trigger
Nigga just came home early
All 'cause he told on his nigga
Nigga gon' rock that ice
Nigga gon' take your life
At the red light, no license
Nigga going take that right
Nigga fake ban that Gucci
Nigga start rocking that Dolce
Say he don't really fuck with me
Nigga don't even really know me
Nigga gon' say he rich
Then he gon' fuck your bitch
Then he gon' drop a mixtape
Nigga gon' ice his wrist

Niggas all the same
Niggas play them games
We don't do priorities
Niggas want the fame
Niggas take mortgage money
And buy 'em a new chain
One thing about a broke nigga
They just gon' complain

Nigga gon' look you in the face
Nigga gon' tell you a lie
Popeyes ordered all wings
Nigga gon' give you a thigh
Another nigga gon' say he can't do it
Nigga ain't even going try
Nigga going sell you dream
Say they all down for your team
Sell they own soul for a chain
Nigga cross you out for some bling
Nigga want a brand new coupe
Nigga want to smoke like Snoop
Every time a nigga hit the strip club
Nigga want to fuck like Luke
Don't try the wrong nigga in the strip club
Nigga might fuck around and shoot

Nigga ain't taking no blame
Nigga ain't saying I'm sorry
Nigga shot all up in it
Nigga want to go see Maury
Niggas ain't got no goals

Niggas ain't got no hoes
Nigga might smoke a whole zip
Some fuck nigga killed Nip

Niggas all the same
Niggas play them games
We don't do priorities
Niggas want the fame
Niggas take mortgage money
And buy 'em a new chain
One thing about a broke nigga
They just gon' complain
