

No Complaining

Young Jeezy

We'll go in
Yeah I like the way this sound though, yeah
Yeah, oh, she singing to me
Yeah, look

I ain't doin' no complainin'
I done came along way back when me and you was hanging
I ain't doin' no complainin'
Back then, we used the Bounty paper towel to do the strainin'
I ain't doin' no complainin'
I done came along way back when cuz and them was bangin'
I ain't doin' no complainin'
Even dodged a fed case back when what's his name was singin'

That money talking' like it's Chris Tucker
Ballin' like I'm the Rucker
Every morning that I wake up, here go another sucker
Call me anything but an informant or a fraud
These are God's plans, damn right
That's on God

These haters obsessed, I got a mansion in their head
Damn right, yeah, and I'm livin' rent-free
Ya'll ain't learn ya'll lesson
Tryna block my blessin'
Just imagine me stressin' in this Bentley

I ain't doin' no complainin'
I done came along way back when me and you was hanging
I ain't doin' no complainin'
Back then, we used the Bounty paper towel to do the strainin'
I ain't doin' no complainin'
I done came along way back when cuz and them was bangin'
I ain't doin' no complainin'
Even dodged a fed case back when what's his name was singin'

Every time I turn around, yeah, these haters talkin' down
Lost souls talk in circles, yeah, these clowns talk in rounds
First, I got it out the mud, then I grew it out the ground
If we talkin' 'bout integrity, it's nowhere to be found

Yeah
These haters obsessed, I got a mansion in their head
Damn right, yeah, and I'm livin' rent-free
Ya'll ain't learn ya'll lesson
Tryna block my blessin'
Just imagine me stressin' in this Bentley

I ain't doin' no complainin'
I done came along way back when me and you was hanging
I ain't doin' no complainin'
Back then, we used the Bounty paper towel to do the strainin'
I ain't doin' no complainin'
I done came along way back when cuz and them was bangin'
I ain't doin' no complainin'
Even dodged a fed case back when what's his name was singin'

I ain't doin' no complainin'
I done came along way back when me and you was hanging
I ain't doin' no complainin'
Back then, we used the Bounty paper towel to do the strainin'
