(Tell 'em it's showtime, tell 'em it's showtime)  
(Tell 'em it's showtime, tell 'em it's showtime)

Look at all these real niggas here that came to see me  
(Tell 'em it's showtime, tell 'em it's showtime)

Dropped this, whipped that, sold this, know that  
Feds take pictures, so what Kodaks  
That don't stop shit, more work, more stacks  
More cars, more clothes, good weed, more hoes  
More choppers, more ki's (in them bricks) oh-k  
No way Jose, your price too high  
No front, cash out, that's right, we buy-  
More clubs, more fun, more bottles, more guns  
I rob no-one, peace and I'm done

Pass me my mic, soundman get me right  
I hope you niggas ready cause it's goin down tonight  
(Tell 'em it's showtime, tell 'em it's showtime)

Yeah these niggas hard, but I'm so much harder  
They asked me how I made it, I was so much smarter  
Gotta focus on ya strengths, motherfuck ya weaknesses  
Y'all know I stay high, so I ain't know what my weakness is  
They say "Oh, he's so G", killed that slowly  
My swagger, my flow, swagger-jackers, y'all know  
Believe them, yer dumb, there's only one Young  
Since there's only one Young, fuck these niggas come from?  
I know, they know, I go so hard  
I know, they know, I'm really so hard  
Full house, packed show, bad bitches, front row  
Trap-stars in the back, 87's full of stacks

Pass me my mic, soundman get me right  
I hope you niggas ready cause it's goin down tonight  
(Tell 'em it's showtime, tell 'em it's showtime)  
(Tell 'em it's showtime, tell 'em it's showtime)  
I got it packed front to back, ohhweee
