Young Jeezy

The flow is back ya boy is too  
Take em back to 93 make one

The flow is back ya boy is too  
Take em back to 93 make one brick two  
A 62 get ya 125 and 18 O's will get you a whole pie  
250 will get ya a H town  
For all you slow niggas thats a half a brick  
9 times 2 now I'm multiplyin  
Run through the change now I'm doin addition  
Drought season niggas tamperin wit it  
Take em apart put em back together  
Zip lock the work rubber band the bread  
We used to eat government cheese now I stack craft instead what  
s up

A day in a life  
A life in a day  
I can spend what you spend in your whole life in a day  
And do the same thing tomorrow  
And the day after that  
A million dollars ain't shit to spend  
I get some more work and do it again  
You are listenin to the hardest if not the smartest  
Now its 8 balls when I play softball  
The snitches keep score  
The feds reffin the game  
The district attourneys more like the umpire  
Conspiracy charge they just lookin for a reason  
Three strikes your out won't be a next season

In my world niggas plot niggas scheme  
Wanna know what I'm worth  
Make em guess like the jeans  
Too much poppin will getcha ass tied up  
Your man turned state now his ass wired up  
My plug get em in but he speak no English and I speak no Spanis  
h but still we manage  
Money is a universal language  
But a thou in the hood'll make a young nigga famous  
And my driver he stay tourin  
Droppin off gifts they call the boy saint nick  
Mr. 17.5 killem soft like Lauren  
Twelve carats in my ears and my whips be foreign whats up
