

# Treason

Young Jeezy

Why you fuck niggas calling my line  
I ain't picking up, Yeet Yeet  
I ain't even wasting my time  
I ain't even losing no sleep  
Some of these niggas for a season  
Wouldn't give a fuck if they ain't breathing  
Niggas gonna give you a reason  
That's the funny thing about treason

I know it's been a while since you heard from your boy  
Like Miami Rob this shit is happening  
Done woke a nigga up  
Now I'm back talking nines and the fours  
Yeah that nigga weighing crack again  
It's all on Shade Room, I know you heard the news  
Got robbed by a preacher and an African  
It's I.K.S. – I'mma kill him when I see him  
I'm just bullshitting y'all, that's an acronym  
I slept on cocaine, beat the dope game  
So this shit here is no pressure  
Back when Granny, heat the house with the propane  
Take a look at me now, that's special  
Man, you niggas ain't about stop shit  
Stand ten toes on that whole word  
And the other nigga talking that shit  
Still owe Big Snow four birds

Why you fuck niggas calling my line  
I ain't picking up, Yeet Yeet  
I ain't even wasting my time  
I ain't even losing no sleep  
Some of these niggas for a season  
Wouldn't give a fuck if they ain't breathing  
Niggas gonna give you a reason  
That's the funny thing about treason

If you know what I know  
When you see – when I see you have eyes in the back of your head  
See you dust a nigga off  
Then you put a nigga on  
Next thing you know he counting your bread  
Motherfuck him, I don't trust 'em  
So please don't tell me what that lying-ass motherfucker said  
It go B.I.G., nigga S.N.O – I'mma need me a motherfucking sled

Yeah, you better thank Monaco and Amma  
Wasn't for them I put you in Park  
See I'm just now seeing in the light  
All this sneaky shit you doing in the dark  
Man, you niggas ain't bout to stop shit  
Stand ten toes on that whole word  
And that other nigga talking that shit  
Still owe Big Snow four birds

Why you fuck niggas calling my line  
I ain't picking up, Yeet Yeet  
Is ain't even wasting my time

I ain't even losing no sleep  
Some of these niggas for a season  
Wouldn't give a fuck if they ain't breathing  
Niggas gonna give you a reason  
That's the funny thing about treason
