

Hold On

Young Jonn

It's bond of trust
Trust me that is a must
Hear me now baby girl
You done know say right now
Anytime me and you far come fi buss
A so di ting set man
Young Jonn tell them
Buda bang bang

Hold on
Hold on to me
Hold on baby girl
Hold on to me
Hold on to me
Woman you be hold on to me

Ahhh...
Baby comport no dey gimmie attitude
Me sef I get am pass you
You know say to be a man is not a day job
Many many things for my head
And you know I'm trying my best not to
Loose myself to this world anymore
Loose myself to this world anymore
Uhh uhh ahh ahh ahn ahn
Oh why

Hold on (hold on)
Hold on to me
Hold on to me (hold on)
Hold on to me
Hold on Uhh
Hold on to me
Oh my baby Hold on to me
(Hold on to me)
Hold on baby gyal

Hold on
Hold on baby gyal
Bdbang bang bang bang
Baby girl, I want you hold on strong cause it won't be long
Til me and you together, I run the program
Bare good vibes, love and meditation
Well, you done know how me got di penetration for you
Mentally, physically, check the tally
Anytime me rise up
Me nah tell it, we nah dolly you a pretty little dolly Me nah deal with no f
ally I'm the girl's dem daddy Me no deal with gyal shabby

So don't bother chest you serve none at all
Know that you blessed my queen, stand up tall You know your my finesse there
is no contest
The sweetest caress, me give you this all
Make no mistake, in love we don't fall
Stand up inna this, just like the great wall
Shoot we no mystery, your body in bliss
You turn and you twist you hear the love call

Hold on (hold on)
Hold on to me
Hold on to me (hold on)
Hold on to me
Hold on Uhh
Hold on to me
Oh my baby Hold on to me
(Hold on to me)
Hold on baby gyal
