

Shine Shine

Young Jonn

Nobody can kill my ginger
Nothing go dull my streeze
Nobody
Sebi my teeth don show tan
So I go shine my teeth
Shine shine

All I do is win win win
Win win win
Till infinity
Negativity far away
Far away

I want to lowo yi forever
Ibanuje parada
And I want to live La Vida Loca
Part in Canada
All I do is
Win win win
Win win win
Till infinity
I want to live La Vida Loca
La Vida Loca

Living my life Lavidá
Ai ma siko lon damu eda
Money big like everything scatter
I go on my knees gbadura gan ni
All I do is grind grind grind
Grind till the early mormormor
Negativity far away
Far away
I want to lowo yi forever
Ibanuje parada
And I want to live La Vida Loca
Party in Canada
All I do is win win win
Win win win till infinity

I want to lowo yi forever
Ibanuje parada
And I want to live La Vida Loca
Party in Canada
All I do is win win win
Win win win till infinity
I want to live La Vida Loca
La Vida Loca
