Straight off the rip get to the bag  
The plan is to triple my cash and shit on my past  
Had to put a lock on my heart cuz the love don't last  
Really rich but I'm humble but I won't brag  
Mmmmm but I just blew 40k on a piece, VVs  
Freezing, sick shit  
Every time I wear it I'm sneezing, sheesh  
2020 gotta level up increase (beast)  
Gotta talk to these little dumb niggas preach (preach)  
New money but I'm getting back to my old ways  
Still hood nigga, still gotta get the chicken wings with the lo mein  
Still good when I pull up clap clap red lyfe it's a bro thing  
Probably with three niggas but when it's war time it's the whole gang  
Take your bitch then I fuck her she ain't coming back homey it's a sure thing  
Poor thing, I don't cuff a broke bitch and I don't cuff a no name  
Two tone cuban links white and rosé  
Broke niggas ain't never been in no banks, ya'll really hoe made  
Bank account on barcode gotta long nose  
Send the op to the crossroads  
Life taught me keep a eye open and my heart closed  
Staring at the bottom of the Hennessy bottle man it's a dark hole  
Seeing my brother name on that tombstone turn my heart to a charcoal  
Life is a bitch, little trifling bitch  
Most of these models be broke stop hyping that bitch

Making women fall in love with me I ain't even gotta hit it  
Most of you rappers be cappers, they fake I can feel it in my spirit  
(I can see it)  
X still hitting my line, decline I don't even wanna hear it (click)  
Chain so loud, I'm deaf now, wrist on wet towel, they upset now  
Life is such a let down so im pouring up whenever I'm stressed out  
Drinking most of the bottle for my dead niggas gotta pour the rest out  
You know I ain't no tricking nigga, I treat a hoe like a step child  
Amiri jeans with the reptiles with the Diors it's a flex now  
Fell in love with the money, got my first mil now I'm obsessed now  
Bout to do a couple movies out in Hollywood, catch me on the West now  
Old friends turn new enemies hating wanna send threats now
