In a section with the bros, it's like 10-11
Glizzy in the cut, just in case
Shout out to my brotha, he just beat the case (he just beat that case
)
Shout out to my God, he make no mistakes (amen)
Shout out to that broad with the pretty face (ooouuu)
She a bartender and a fan (she a fan)
But she only shake her ass for the bands
I don't pop no Percs, I don't pop no Xans
But I keep a cup of Henny in my hand
