

What you want from me? Tell me what you want  
I don't need this, I need a blunt  
I don't need love, I need luck  
But I'm here and I'm stuck

I don't wanna argue, I just wanna fuck  
I don't wanna care, I just wanna cum  
I don't wanna nag, I just wanna nut  
But I'm in my feelings and that fuckin' sucks  
Damn, I wish love was illegal  
I don't even know how to keep you  
I can never read you  
Then I fell in love, didn't mean to  
Push restart, I need a redo

I don't wanna fight  
You my nigga, you my people  
I just want some head baby  
Come here, let me feed you  
Now get the weed and a roll-up  
Let's just smoke, let's just blow one  
Get a beer, get a cold one  
I just wanna work it out with you babe  
'Cause I ain't get no pussy in like two days  
I ain't in the mood for your mood swings  
Ever since I cheated baby, you've changed  
That is in the past, it's a new day  
Let me put it in your mouth, this ain't toothpaste  
And that pussy's sweeter than some Kool-Aid  
I just wanna drink until I'm woozy  
Fuckin' with the weed and the Dusse  
And she got them hip-hips hooray  
Hooray  
And she got them hip-hips hooray  
I'm just trying to drink until I'm woozy  
I'm just trying to drink until I'm woozy

Woozy  
I love it when that pussy on jacuzzi  
Come and ride on my face like Suzuki  
I ain't get no pussy in like two days  
Like a few days  
I ain't get no pussy in a few days  
Ay, what we doin' babe?
