Who dat who dat? never who dat (who dat nigga)  
It's M.A bitch, act like you knew that (it's M.A bitch)  
It's Redlyfe, it's Redlyfe (it's Redlyfe)  
Ask around, we really do that  
Turn the club into a fucking zoo  
Groupie bitches love the crew  
That's nothing new, pull up in something new  
Redlyfe bomin' through  
Poppin' bottles, still spinning blocks  
Speeding, rushing potholes, every Tahoe  
Ubers full of shooters that'll crack your taco  
Yeah I still ride for my guys  
And I'm still packing them nines  
Ain't nothing changed, ain't nothing changed  
I'm still the wave, I'm still the wave  
I pour champagne on that bitch  
For asking me for some money  
They like M.A why you cheasin'?  
'Cause I just got me some [?]  
Got the baddest bitch in the game wearin' my chain with her middle fingers up  
Like a dress-  
wearing lil church girl with strict parents, we don't give a fuck  
They talk down, we live it up  
We ain't worried 'bout nothing  
I'm probably countin' money, getting head  
And I'm just worryin' 'bout nothing  
They chase clout, I chase checks  
Fuck wrong with these guys?  
Got a whole section full of bad bitches  
And I grab all of they thighs  
Went from underrated to most hated  
From a nobody to a Young M.A  
Even white people know me, like  
That's Young M.A! No fuckin' way!  
We party and bullshit  
We pop bottles and we smoke weed  
We fuck slow but we live fast  
I get high but I'm lowkey  
Celebrating every day now  
Every day we awake now  
It used to be that Hennessy  
Now it's champagne for the pain now  
It's Redlyfe, it's Redlyfe  
Get down or you lay down  
No this ain't no playground  
Them guys don't play 'round  
They was sleeping, yeah they was sleeping  
Now that ass is awake now  
Fuck everybody else  
It's all about M.A now
