Young M.A

It's Brooklyn  
It's Redlyfe, it's Redlyfe  
It's M.A

I write hit after hit, I get bitch after bitch  
But I don't love these hoes I should walk with a limp  
With a cane or a stick yelling trick I'm a pimp, sheesh  
My shooters got grip after grip, got a clip at the clip  
Aim right at your nose, red dot they won't miss  
Got the game, got the fifth, pussyboy take your pic, sheesh  
I drink Henn' after Henn', I get bent, I get bent  
Pass the blunt to the bro, he said bro what is this?  
This is sour and piff nigga just like the spliff, sheesh  
Yeah, I'ma trip on the trip man I swear I ain't shit  
Treat these bitches like pits they act up, get 'em fixed  
Turn that man to a bitch, now come here give me kiss, pussy  
If it don't make cents it don't make any sense  
It's 'bout stacking your bricks, only 100's and 50's  
I'm a hundred percent, when I rap on my drift  
Cause I talk with my eyes and I see with my lips  
Means, I say what I see and I see what I speak  
Got this rap shit nipped, nipped in the bud  
I'm not showing no love cause that love get you clipped, raahh
