Young M.A

Henny in my cup  
In my whip with a slut  
I'm a squirrel in the world  
I just wanna bust a nut

M.A never slip  
Deuce deuce on my hip  
That'll put a nigga out  
Like he ain't pay the rent  
I will never love a hoe  
I'll forever be a pimp  
I don't wanna hear you talk  
I just wanna feel your lips  
Hoes say I ain't shit  
I agree, I agree  
But why have 1 chick when I can have 2 or 3  
Getting dome like the Greeks  
Got kush in the leaf  
Got a fresh pair of feets  
Not a stain not a crease  
100 grand in the brief  
God damn what a week  
Rule number 1, you gotta vamp, never sleep  
Gotta move with a gun  
Never ran, never weep  
Niggas out here, tripping  
Waiting to see you slipping  
Pay attention b

Drinking Henny out the bottle  
With a bad Jawn that could fuck, suck or swallow  
With a 22 in my sock  
And I wish a nigga would
