

Mini Me

Young Nudy

Look at my eye man you know I'm gone spray
Nigga didn't know but today is the day
Slimeball full off one lil plate
Bitch ass boy know your ass getting ate
I got all these hoes at the base
I got all these pills we ate
Twerk that ass bitch, make that shake
Smoking oowee I feel great
I'm so high can't feel my face
Only thing I felt when I was nutting on that bitch face
Blew that shit that was so great
Brought her to my amazing place
Came a long way from section 8
Yeah, okay, but I still live like section 8

We send hits nigga
My youngins do the shootout thats they shit niggas
My homie put a potato on his 410
Ain't none but headshots every time he go in
Get paid right just to handle biz
Lotta money open up his wig
Split him apart hit a kid
Keep squeezin shoot that bitch again
Kill shit will never end
Snitch on me gotta lock me in
Bitch niggas try to have them folk they try to box me in
Came out the whip like Rambo nigga poppin shit
Homie came out with two glocks in the backseat
He on Max Payne shit
And we not squeezing for fun, we aiming
Opp think they'll catch me slipping again
What the fuck they thinking
Smash all in somebody stanky
Call my lawyer tell him come pick this money up
It's a situation
Praying that these niggas don't snitch on me
And they partner don't make it
Threw off man I'm talking crazy
Slash that man I'm talking brazy
Bitch nigga man you fugazi
Niggas out here pump faking like they was with me when it was time to blaze
it
But this shit okay, cause slimeball extra paid I ain't have to pay
Sometimes I just wanna spray
Sometimes man I gotta pay
Long as a bitch nigga dead then it's good with me
Know it's still on my face
Play with mine we gone step on your face
Ever seen a nigga kill for them faces?
Hitman for the money he taking
Soldier good with this shit no type of training
Yeah, yes sir, I get wicked with this shit mane
Hop out the bushes he pull in the driveway
When I hit the MAC I turn that bitch sideways
Red bandana yes it's all in my face
Good on my head and he turnt with the lace

Look at my eye man you know I'm gone spray
Nigga didn't know but today's the day
Slimeball full off one lil plate
Bitch ass boy know your ass getting ate
I got all these hoes at the base
I got all these pills we ate

Still ride around with the dirty ass K
On fool shit all day tryna play
Nigga just listen the sound of my K

Up in the stars we gone creep with the moon
Maniac nigga fuck your little goons
Nigga you ever went and killed a goon?
Night time tryna whistle to the moon
Hop off little niggas we gone block your goons
Niggas some pigs we blow through they door
Blowing all this smoke they run to the folks
Say they with this shit but shit never show

Look at my eye man you know I'm gone spray
Nigga didn't know but today is the day
Slimeball full off one lil plate
Bitch ass boy know your ass getting ate
