And I know a lotta nigga wanna steal my mojo
Cause I got that hoe on go go

Baby want me to get in her mouth
Baby want me to get in her spot
She say I can trap her spot
Beat the bitch down till it's hot
And we work that door with that fye

No we don't do it in the street
When it come to that murder
And shit that's no lie
F12 nigga till you a die
