Baby, baby, baby
In the darkness of the night now, I'm cooing
If you gotta go
Maybe, maybe, maybe
No more crying 'cause I'm cooing

I won't love again
What?
She's more beautiful
You, you
I'm afraid my feelings will be discovered
With only secrets on your lips
With pretty words
Like fireworks
It will all fade away
When it's hard to, hard to be, oh, cool, uh, oh

Baby, baby, baby
In the darkness of the night now, I'm cooing
Bet you wanna go
Maybe, maybe, maybe
I don't listen, boy, I'm cooing

Call me stupid
It's ridiculous
'Cause I like it more
With only lies on your lips
With a pretty password
