

# Famous On The Internet

## Young Rising Sons

I was crying all night losing my mind over some likes  
Maybe I'll start selling some fake jewelry online  
Living in a sponsored ad  
I feel personally attacked  
Oh, by the way, how'd you get your account verified?  
What's trending lately  
Fake news, Drake memes  
Fit frames, blue jeans  
Follow back please

She wants to be famous on the internet  
His friends are all culturally relevant  
Gets high on likes and percocets  
#notmypresident  
DM for CHANEL e-cigarettes  
AR-15 for self-defense  
I'm sleeping in the car cause I'm too depressed  
She wants to be famous on the internet

If you want to feel good and lose a few pounds just hit subscribe  
I followed cause lately I've felt ugly inside  
'There's no such thing as climate change  
Don't worry about the hurricanes  
Oh, by the way, how'd you get your account monetized?  
Food porn, slay me  
Starbucks, baby  
Social disease  
Someone kill me

She wants to be famous  
She wants to be famous  
I wish I were famous

Who hacked my account call the police  
Slipping through the cracks in my screen  
Falling in love with a machine  
I wanna be liked desperately
