

## F.O.T.I.

### Young Rising Sons

I was losing my mind, crying all night over some likes  
Maybe I'll start selling some fake jewelry online  
Living in a sponsored ad  
I feel personally attacked  
Oh, by the way, how'd you get your account verified?

What's trending lately?  
Fake news, Drake memes  
Fit frames, blue jeans  
Follow back, please

She wants to be famous on the internet  
His friends are all culturally relevant  
Gets high on likes and Percocets  
Hashtag #notmypresident  
DM for CHANEL e-cigarettes  
AR-15 for self-defense  
I'm sleeping in the car 'cause I'm too depressed  
She wants to be famous on the internet

If you want to feel good and lose a few pounds, just hit subscribe  
I followed 'cause lately, I've felt ugly inside  
There's no such thing as climate change  
Don't worry about the hurricanes  
Oh, by the way, how'd you get your account monetized?

Food porn, slay me  
Starbucks, baby  
Social disease  
Someone kill me
