

Bills

Young Scooter

I gotta pay my mama bill
I got my own bill

I gotta pay these bills
I gotta pay these bills
I gotta pay these bills
I gotta pay these bills
I gotta pay these bills
I gotta pay these bills
You better keep working gotta pay them bills
The only way to live if you pay your bills
I gotta pay them bills
I gotta pay them bills
Never let them bills pile on top of bills

I went to jail and I was good still
My partner Phil paid half my bill
I could tell it cause I'm so real
And this the shit you feel
I gotta pay my mama bill
My baby's mama bill
I got my own bill (I got my own bill)
My kids got bills
In two years I spent two mil
All on the studio, that's my main bill
Just owe my drug habit an extra million
I owe Hector two million gotta pay my bill

I gotta pay these bills
I gotta pay these bills
I gotta pay these bills
I gotta pay these bills
I gotta pay these bills
I gotta pay these bills
You better keep working gotta pay them bills
The only way to live if you pay your bills
I gotta pay them bills
I gotta pay them bills
Never let them bills pile on top of bills

Bills on top of bills
Fuck that the way you live
If my nigga ain't got it I could pay his bill
Couple hunnids to go out that nigga kept it real
I'm a million dollar nigga legal paper still
You know that shit trap past I jug em in right now
You know late bills will make yo mam pass out
Eviction notice real talk I done been put out
The Black Amigon where we wrap em up
And ship em out
Gotta pay my bills
Can't let my kids live how I live
I got family taking them pills
A couple of extra bills
Yeah I struggled a couple of years
But I done caught brick
Daddy was a rolling stone

My mama paid the bill

I gotta pay these bills

I gotta pay these bills

I gotta pay these bills (gotta pay these bills)

I gotta pay these bills

I gotta pay these bills (yeah)

I gotta pay these bills

You better keep working gotta pay them bills (work, bills)

The only way to live if you pay your bills (only way to live)

I gotta pay them bills

I gotta pay them bills (bills)

Never let them bills pile on top of bills (yeah, yeah)
