

Broke Bitch

Young Scooter

[Young Scooter:]

Don't nobody listen, naw

Black migo

When a broke nigga talking man don't nobody listen, broke ass niggas stay up out my business

When a broke bitch talking man don't nobody listen, broke bitch need to stay up out my business

If you broke no convo, I went broke and had the four four

Broke again that's a no-

no, keep my name out your mouth broke ass hoe

Three baby momma's, alot of drama

Bitch play your role, you're not a starter

You're just a battery with no charger

Young Scooter I'm a street pharmist

I flex a lot niggas hate me for that

I'm on the top give a damn where you at

I run the block I supply all the crack

You embarrassing, your boyfriend ain't worth five racks

Diamond ring just to match my chain

Pay a hundred for a water I don't want no change

All the broke hoes hate cause they ain't got a thing

How the fuck can I go broke and I make cocaine

Broke nigga talking man don't nobody listen, broke ass niggas stay up out my business

When a broke bitch talking man don't nobody listen, broke bitch need to stay up out my business

If you broke no convo, I went broke and had the four four

Broke again that's a no-

no, keep my name out your mouth broke ass hoe

[Waka Flocka Flame:]

If Flocka in the club than that bitch lit

This blunt cost more than your outfit

I'm from New York but I was raised in the south bitch

Keep on talking you gon' help to get your mouth fixed

Gold all in my roly I paid 10 racks

It's a stoley you not my homie can't get shit back

Broke niggas no convo

I call Scooter he call [?] now the [?] call me [?]

[Young Scooter:]

When a broke nigga talking man don't nobody listen, broke ass niggas stay up out my business

When a broke bitch talking man don't nobody listen, broke bitch need to stay up out my business

If you broke no convo, I went broke and had the four four
Broke again that's a no-
no, keep my name out your mouth broke ass hoe
