[Verse 1: Young Scooter]
Shit fucked up right now in every hood

The streets talking, they say they know the moves I pull
White chalk shit I say the word they'll do it
But we don't want no problems all we do is jug
Juggin' out them Section 8 houses in the hood
I love all my niggas they make sure I'm good
And I make sure they good
We all bosses, a couples losses, but no crosses

I gotta keep counting, keep juugin'

[Hook]

[Verse 3: Young Scooter]
I know a OG 60 still getting to it
My uncle was born in the 50's and he still jug
So I respect the real OG's of every hood
Young niggas 15 juggin' getting to it
Them '90 babies, Them '80 babies
In every state around the world right now they juggin' crazy
I go hard 'bout my checks Scooter too impatient
Smoking, Riding, in my head doing calculations
Thinking 'bout why the Feds keep on talking crazy
Cuz all the snitches saying jug and that word I made it
Count Up!

Salute all the real OG bosses
