Cooking that gambino, 50 like a statue  
The work come from Mexico, diamonds come from Africa  
they turned me to an alian  
like Pacaso  
They come in fast, I work it fast, look like I hit the lotto  
My migo got my back, he gonna see me in Galato  
40 clip extendo, and it's filled up with hollos  
Took a hundred today, rapped the bills like  
With them VVS's in my chain, I Freeband loco  
And I got more mojo  
Esse brought me that dope though  
That good dope, that good snow  
This fuckin jo blo  
I can pull a no show, I can pull a no show

My esse got that moltin, send them bricks to Sosa  
My esse bought that drop, my esse got that wok  
My esse call him chewy, juug is all we doing  
Keep them bails moving, we be getting to it  
I got plugs in Mexico, we workin in Mexico  
Esses in the radio, no longer than a day or so  
Send them to your front door, sleep in a house full of dope  
My esse cross the boarder, and everyday just let them bails go  
Juug juug juug, I show my esse that  
A young millionaire, my esse made me that  
I'm Blacka Migo Scooter, I'm known for having packs  
Made this hustle by myself, nobody showed me that

My esse bought that Gucci skirt rock in there  
My esse made me so much cash I done lost count  
We did illegal activities I can't even pronounce  
We juug so many nights and days, I just bought me a house  
, I gotta thank you  
Just bought the watch, just bought the chain, before the cult was famous  
Working in Mexico, you better have your banger  
Cause the niggas around here with the fact they're tryna stang ya  
My esse dropped a pack at my grandma house stankin  
We on Codeine, we on Rosay, yeah we drinking, we ain't hating  
Freebands run the nation, everyone know we  
Thanks to all my soldiers, I can by a Roles
