

# Millions

Young Scooter

[Hook x4:]

I ain't signing no deal if you ain't talking bout them million dollars

Singing no deal if you ain't talking bout them million dollars

If you ain't talking bout them million dollars

I ain't signing no deal if you ain't talking bout them million dollars

If you ain't talking bout them million dollars

I ain't signing no deal if you ain't talking bout them million dollars

[Verse 1:]

I always got a million dollar, you know I got a million dollar  
The one dollar bills

If eyes I got a million dollar, tears I got a million dollar

Twenty got millions of dollars

So my problems got a million dollar, please they always poppin  
bottles

Fuckin a million dollar models

Reflexin on resources island

Got it off the corner man you know we got them blood diamonds

I'm a boss like Meek Mill just last in my clip fucked up ten mi  
ll

But we still in the streets steal with millions

Young school to ballin with no deal

[Hook x4]

[Verse 2:]

But in lead of plug I told em fuck it I got another connect  
Trial season out of made a million [?] to Brookshelf

Pent cold check my bed brown I got it on my shoot

No petch thought got a thing God for making [?]

I fuck with real niggas, fuck the mills like shine shout them

I got about that million dollar, her stash I thought I lost it

Do you only take you off and Mexico they on that ball shit

Braggin in the [?] bag, mother fuck the Louie shit

All my bricks 20 percent, plus I let em go for ten

Do the map if I get the whole five hundred in

Million pre-back game we get pack

So I ain't signin no deal if you ain't talking bout millions

[Hook x4]
