

# Never Hide

Young Scooter

[Pre-Hook:]

I don't care if you got a hundred bodies walk in your town  
It's gonna take a whole army to put me on the ground  
I never hide, I never hide  
I don't care if you got a hundred bodies walk in your town  
It's gonna take a whole army to put me on the ground  
I never hide, I never hide

[Hook:]

What the fuck you mean nigga, bring your ho down you with  
Cowboys hot guns, you be got to be killers  
I never hide, I never hide  
What the fuck you mean nigga, bring your ho down you with  
Cowboys hot guns, you be got to be killers  
I never hide, I never hide

[Verse 1:]

A nigga talking on my name I gotta take one  
Like some type a scary mother fucker  
I never play none  
You never run wid a gun  
You shoot and run  
You gotta point that gun and stay while real niggas against the thugs  
They all gonna bust  
Say you want me well nigga big buss shot in your eye  
Talk you want that mother fucker live, however hide  
Talk about, well I'm on you nigga  
We are riffles niggas  
Not a soul looking for blacker nigga  
Am macho nigga

[Pre-Hook:]

I don't care if you got a hundred bodies walk in your town  
It's gonna take a whole army to put me on the ground  
I never hide, I never hide  
I don't care if you got a hundred bodies walk in your town  
It's gonna take a whole army to put me on the ground  
I never hide, I never hide

[Hook:]

What the fuck you mean nigga, bring your ho down you with  
Cowboys hot guns, you be got to be killers  
I never hide, I never hide  
What the fuck you mean nigga, bring your ho down you with  
Cowboys hot guns, you be got to be killers  
I never hide, I never hide

[Verse 2:]

I'd took a lot a shit but I ain't gonna hide for you nigga  
I don't pull a lot of tricks on you fake street niggas  
I ain't worry bout shit  
Am surrounded by people  
Real shit one thousand, never cross my nigga  
Everything thing about rider Scooter I get you off my nigga  
Money talks  
And I ain't no wanna deal with you  
I never had. Am alright

Kush, house and we got gas  
For 35 (yeah)

[Pre-Hook]

I don't care if you got a hundred bodies walk in your town  
It's gonna take a whole army to put me on the ground  
I never hide, I never hide  
I don't care if you got a hundred bodies walk in your town  
It's gonna take a whole army to put me on the ground  
I never hide, I never hide

[Hook:]

What the fuck you mean nigga, bring your ho down you with  
Cowboys hot guns, you be got to be killers  
I never hide, I never hide  
What the fuck you mean nigga, bring your ho down you with  
Cowboys hot guns, you be got to be killers  
I never hide, I never hide

[Verse 3:]

I heard you talking bout some killing shit  
But you ya'll ain't killing shit  
Look me in my eyes and I can tell your squad is a bitch  
Fuck I got an eye for  
I just hid a hundred million under my kitchen floor  
So let's go  
Who the fuck playing Rambo  
It's a honeymoon rounds for that round ho  
She thinks she bad  
She gotta get it with a bitch ass  
Fuck I got an eye for  
I got plenty cash... BMG

[Pre-Hook:]

I don't care if you got a hundred bodies walk in your town  
It's gonna take a whole army to put me on the ground  
I never hide, I never hide  
I don't care if you got a hundred bodies walk in your town  
It's gonna take a whole army to put me on the ground  
I never hide, I never hide

[Hook:]

What the fuck you mean nigga, bring your ho down you with  
Cowboys hot guns, you be got to be killers  
I never hide, I never hide  
What the fuck you mean nigga, bring your ho down you with  
Cowboys hot guns, you be got to be killers  
I never hide, I never hide
