Don't care bout what the fuck I do, don't go to court for nothin  
Gotta pin this on my time, bitch I'm from the gutter  
You could keep on lookin for me, I'm a keep 100

The police asking questions bout how yo case  
They say I took a million dollars from the estate

I just got a let a judge to drug test me  
They know I got drugs in every intestine  
I'm always hot, I'm guilty as my video

Now they tryna charm me with bribery  
Tryna tie my name in them robberies
