

Recession Back

Young Scooter

Yeah that motherfucking recession
You niggas just don't know nobody
Cut the stove off

Go to work nigga
They say the recession's back (cut em)
Go to work nigga (work)
I got a neighbourhood full of white crack (Lil Mexico)
Go to work nigga
They say the recession's back
Go to work nigga (these niggas don't know nobody)
I say the work I get your whole neighbourhood whacked (for real)

Pepper shoot you if I say the word (for real)
Ken Blacka shoot you if I say the word
You little boys ain't never show no bird (nah)
I let them bird take em off and put em on the curb (what do you mean)
Walk in my shoes you gotta sell a million on the side
I talking dope that's 20, 50's hundreds yeah
Ain't no recession we flexing
You see this bitch in distress, I told ya'll Columbian
I teach cocaine lesson
I turn ones to threes and threes to sixes
Remix, remix, remix, remix
Cocaine killers

Go to work nigga
They say the recession's back (cut em)
Go to work nigga (work)
I got a neighbourhood full of white crack (Lil Mexico)
Go to work nigga
They say the recession's back
Go to work nigga (these niggas don't know nobody)
I say the work I get your whole neighbourhood whacked (for real)

Man you niggas don't know nobody
Me and my niggas go to work
You lil bastards make that pastor
Pray over you at church
Got a gappa and it twerk like a hoe from New Orleans
Got a partner and he quick, red dot, you on the scene
Say he's coming back for me
What Jeezy was talking bout
I didn't cook the cocaine, I survived in the drought
Never had a loud mouth but I'm all about
I don't give a shit what you pussy boys talk about
Put that on this caddy, ain't falling off
Ball what I be talking bout
Recession back down guess there ain't no means to drive them out
Cousin in the pen
Nine piece gone for ten
Send me a kit through the wind strapped nigga

Go to work nigga
They say the recession's back (cut em)
Go to work nigga (work)
I got a neighbourhood full of white crack (Lil Mexico)

Go to work nigga
They say the recession's back
Go to work nigga (these niggas don't know nobody)
I say the work I get your whole neighbourhood whacked (for real)

Stingy niggas scraping up the crumbs and recook em
I paint my line and we hook em and get pay for what this time we took em
Broad daylight we be serving while these neighbours looking
Playing with this white, that dog food that never shook em
I got bills and all my bitches creamed
Still false and I can't tell you what none of these numbers mean
Bitch I'm pissing dirty I won't put this cup down, pour it
Just woke up early, waiting for them bricks to touch down
I just bought another trap in case this one get shut down
Shit getting outta hand we serving out the back and front now
I'm pulling up a chopper with them guapo
I fuck with them blacks but I still sell rocks though

Go to work nigga
They say the recession's back (cut em)
Go to work nigga (work)
I got a neighbourhood full of white crack (Lil Mexico)
Go to work nigga
They say the recession's back
Go to work nigga (these niggas don't know nobody)
I say the work I get your whole neighbourhood whacked (for real)
