Million dollar pink flipper, young nigga wrist whipper
Stance got a overflow, treat the safe life a stripper

Served you last week, be at the same spot, same time
Watch it as it fell til the pounds got wild
Deserve everything I got, been grinding hard since a child
Just flexed on my ex bitch when it come to X6
I'm coming for the hustle but it's a blessing that we this rich
Big stacks, no rich game
Say hello to my clip hang
Ran off with the paper and get treated like the last mane
Owner of the dope game, too odd, trap God
Only touch the paper so the cocaine I applaud
