Cage

Young Summer

From this day forward I'll pay the price
Burn all my bridges by wildfire

Maybe in another life
I'd sleep beside the lion that swallowed my pride
Maybe in another life
Fit into this picture painted white with lies

To see the world like an animal
If you're a saint I'm infallible, infallible

Wasn't born for a cage
Wasn't born to be tamed
Stare down the hunter changing the game

Wasn't born for a cage
Wasn't born to be tamed
Restless to break the rules that we made

Oh oh oh oh I'm on to you
Oh oh oh oh I'm on to you
Oh oh oh oh I'm on to you
I'm on to you

Maybe in another light
Could've seen this division that's long
Maybe with another fight
There's no denying how far I've come

Wasn't born for a cage
Wasn't born to be tamed
Restless to break the rules that we made

Oh oh oh oh I'm on to you
Oh oh oh oh I'm on to you
Oh oh oh oh I'm on to you I'm on to you

Maybe in another life
I'd sleep beside the lion that swallowed my pride
Maybe in another life
Fit into this picture painted white with lies

Wasn't born for a cage
Wasn't born to be tamed
Restless to break the rules that we made

Oh oh oh oh I'm on to you
Oh oh oh oh I'm on to you
Oh oh oh oh I'm on to you
I'm on to you
