

# Moonlight

Young Summer

Why am I so sad to see you go?  
I really don't want you to leave me alone

There's still a light where you stood  
I miss you more than I should

I don't wanna wait, I don't wanna sleep  
I just want to meet you in the moonlight  
I don't want to wait, I don't want to regret  
Everything that we could be  
Oooooo I can drive you home  
Oooooo but I don't, I don't, I don't, I don't want you to go  
I don't want you to go

Please just give me a sign  
A look, a touch, your lips?  
Something I'll will recognize

Would you confess it all if you could?  
Do you miss me more than you should?

I don't wanna wait, I don't wanna sleep  
I just want to meet you in the moonlight  
I don't want to wait, I don't want to regret  
Everything that we could be  
Oooooo I can drive you home  
Oooooo but I don't, I don't, I don't, I don't want you to go  
I don't want you to go

First time, you said, my name it changed  
I won't regret, holding on a little longer  
First time you said, my name it changed  
Will I regret, holding on a little longer?

I don't wanna wait, I don't wanna sleep  
I just want to meet you in the moonlight  
I don't want to wait, I don't want to regret  
Everything that we could be  
Oooooo I can drive you home  
Oooooo but I don't, I don't, I don't, I don't want you to go  
I don't want you to go  
I don't, I don't, I don't, I don't want you to go  
I don't want you to go
