

Will It Ever Be The Same

Young Summer

Falling
Underneath what we have become
And we battle, and we break it, and we run
Easy
Doesn't seem to play this game
And we struggle in slow-motion and we fade

How do we hold on, now?
Can we find our way out?
Will it ever be the same?
Shadows coming over
Memories grow colder
Will it ever be the same?

(Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh)

Silence
I don't get to hear your voice
In the chaos, in the fire, watch it blaze
Helpless
Why'd you have to pin us down
We've been hiding, we've been seeking, now we're found

How do we hold on, now?
Can we find our way out?
Will it ever be the same?
Shadows coming over
Memories are colder
Will it ever be the same?

(Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ah-ah...
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh)
