Cruise through life in a new shape
Indictments came, my bitch loves blue tape
Step on your turf with a screw face
Fucking she want it on Blu-ray
Can't stay two nights, lil mama, I'm choosey
Sipping on drink and I'm woozy
I leave the kitty in good shape
Mercedes Benz and I got it in woodgrain
Moncler hood 'cause it could rain
Go make the runner go Usain
We goin' NYC, Eliantte
Buss down, it's a new plate

Racks, goodness grace
Platinum plaques for goodness sake
Boujee face, the bunda great

Speed dial, it's so late

She up, she's horny
Do a fashion show, she showcase
Her knickers are Dolce

Alley-oop my brozay
