

# Stand Up Man

Young T & Bugsey

Livin' on the wild side, I don't follow guidelines  
Winner 'bout mine, yes she know I'm 'bout mine  
In the air, adding fuel to the fire  
Bae turn, I make her sing like Mariah  
Head to toe, when I Sheneneh  
We go back, we go way-way-way  
Where's your man, heard he saw OJ  
Squeezed her better like yeah, yeah, yeah

Hop on the ting, grope on the ting  
Lop on the ting, don't flop on the ting  
Push it back pon the ting, pull up on the ting  
Slap on the ting, don't ramp on the ting

See I tied down a fighter  
Man they blow helicopter  
Stack it up, no cut yuh  
Said they fight boy, pa-pa  
Damn right, listen, the return of the mob  
Jungle mess done  
Don't make it long, put the cash in the bag  
German words, baby gutentag  
If the band's too smart tell him jump in the van  
All turn bad, saw one job  
Tell a girl Vossi Bop, babygirl don't dab  
Joke and stab, pass exam  
Gyal whine in a car finna trap and a Lamb

Livin' on the wild side, I don't follow guidelines  
Winner 'bout mine, yes she know I'm 'bout mine  
In the air, adding fuel to the fire  
Bae turn, I make her sing like Mariah  
Head to toe, when I Sheneneh  
We go back, we go way-way-way  
Where's your man, heard he saw OJ  
Squeezed her better like yeah, yeah, yeah

Know dey wanna see me fall down  
But I can't fall down  
'Cause I'm a stand up man  
Know dey wanna see me fall down  
But I can't fall down  
'Cause I'm a stand up man

Pop back on you like a jack-in-the-box  
News still matter, niggas run this shit off  
Deep fry enough and I'm servin' it rough  
Area boys make the area hop  
Old school buggy like a rag-a-man sound  
Shit got coddly, but I bag a man down

Gravy livin', splashin' downtown  
Wanna posh red, tell 'em Dagenham bound  
Grind up, look great, and my palm with the blunt  
Fight to the death, man I bang what I rep  
Dior when I step, put that ice on my neck  
Tats on her breast, with the blast off her chest

You won't catch me in the club if they're checking kled  
What the fuck am I doin' there?  
'Cause them niggas be where?  
Gettin' to the checks, oh yeah  
Livin' up to buss, I back that

Livin' on the wild side, I don't follow guidelines  
Winner 'bout mine, yes she know I'm 'bout mine  
In the air, adding fuel to the fire

'Cause I'm a stand up man

Know dey wanna see me fall down
