Strike me a pose, girl you're kinda cute yanna
Hit on the low, girl you gotta loosen up
Cuz your body wanna move yanno
Uptight, just loosen up
MacDaddy with the juice yanna
Sippin' on a Duck-Duck-Goose yanna
Strike me a pose, girl you're kinda cute yanna
Hit on the low, girl you gotta loosen up
Cuz your body wanna move yanno
Uptight, just loosen up
MacDaddy with the juice yanna

Aye, Aye

Look into my eyes, tell me what do you see?
I see wrist bust-down nigga, twenty on each
That's a big back baby come and fling it on me
Rosé by the case for that Bon Appétit
Watch your girl, 'cah she digging the drip
If she with me then she ain't a regular bitch
Rock my world, she a free lil minx
We got a freezer in the Range shorty come take a sip
Gucci on her hip with the Fashionova thick
Can you do a trick? Can you do it on a dick?
That's a big fat couple racks spend it on a coat
Meet me on a low, I got money that I'm tryna blow
Money that I'm tryna throw, six figures on a deal-y
Feel like Biggaveli now I got a lil Timmy
Yo feel like Makaveli when I pull up in the city
Bus' a dance for me I ain't talkin' 'bout the shiggy

Strike me a pose, girl you're kinda cute yanna
Hit on the low, girl you gotta loosen up
Cuz your body wanna move yanno
Uptight, just loosen up
MacDaddy with the juice yanna

Yo Aitch fly boy, a MacDaddy with the juice
Strike a pose babygirl, you lookin' sassy for the shoot
Came from Nottingham to Manny with a baddy in the coupe
I'm 19 she's 32, to her I'm actually a yute (hehehe)
Heh, wrap another zoot
Tell her turn around, show me what the back of it can do
Loosen up, shake it off, back it up a few
Them other girls are too jealous, they ain't flashier than you (no way)
Bend it over, push it on me then rotate your hips (woo!)
When we fucked she let me take a pic
One chance, are you leaving or are you taking it?

I got some white chocolate, I promise you'll like the taste of it
Blitzed a couple bottles now I'm zoned out
Mandem moving mad, more time is getting thrown out
Hold that position, quick let me get my phone out
Babe just do me a favour and-
