

Tense

Young T & Bugsey

4Play

Girl, ya moving too forward, now I'm tired
Is it by force that I gotta love on your island?
This lifestyle a cost I can finance
Say they have love for me but it's past tense, so, so tense
In a shanty town, can you blame them?
Put the ski mask on, how we trail them
My one straight ten ten, she excellent, mmh, mmh, mmh
Put a ring on it, that's a wedding
Louis V on the bedding
What a blessing, paradise where we heading
In this life you can roll over
Either stand or get rolled over

Leave me some, mi go eat it up
Wet pon meh, leaking nuff
Ting bout her weh devious
Smoke a Cuban, Puerto Ritico
Come a see di Mona Lisa, yeah
Sweet, she honey like bees, I said
Carry the ratchet, mek them think on it
You know meh have the jubilee on me
How she bounce pon it, she mek me lean a
And she real dark like cocoa bean a
You see meh neck, me put it ina freezer
And if them trouble deh money we have machine a
Bounce along you bonita
Bring you Havana wi your visa
Louis V on my sneakers
I go show you what this free a

Put a ring on it, that's a wedding
Louis V on the bedding
What a blessing, paradise where we heading
In this life you can roll over
Either stand or get rolled over

Eternal grace is essential
The Rolls Royce like a x-file
They want me gone, they want me exile
Not in this life, catch me in the next life
When you lay down who'd you think of?
Still haunts me the day that I slip up
Watch me greenlight my broski
Grandma put a hex on your whole team
Look within if you're searching
Smoking marijuana when I'm skrrting
We was on the corner, we was burdened
Who's you're bredrin? I never heard him, yeah

Love my numbers, love my earnings, yeah
Said she wonders 'bout me entering, yeah
All my brothers benzo benzing, yeah
She a stunner, she go bending, yeah
