

# Throw Me A Text

Young T & Bugsey

Throw me a text  
Let me know when you near  
Baby just flex  
Strike a pose, don't stare  
Come shake a leg  
Baby, come shake a leg with me  
Way you moving correct  
Door to the left, let's leave  
Throw me a text  
Let me know when you near  
Baby just flex  
Strike a pose, don't stare  
Come shake a leg  
Baby, come shake a leg with me  
Way you moving correct  
Door to the left, let's leave

Alright  
I'm in a Benzo, it's the in ting  
Belair got me looking like a victim  
Monkey on a Loubi', what I'm spending  
Genie told me it's gon' be a happy ending  
Ooh, the back end, the back end  
Honey know I'm covered on the back end  
Ooh, the back end, the back end  
Shawty know I'm covered on the back end  
Quick ride on a nigga if he ratting  
She gon slide on a nigga 'cause she active  
I was broke as a joke, that was back then  
Fell asleep, woke up in an Aston  
Mi nuh run joke, we nuh inna banter, you know  
Clean six figures, I said "Alhamdulillah"  
Unruly, we nuh answer to law  
CC drip, bag designer's the cost

Throw me a text  
Let me know when you near  
Baby just flex  
Strike a pose, don't stare  
Come shake a leg  
Baby, come shake a leg with me  
Way you moving correct

Way you moving correct  
Door to the left, let's leave

She was my main squeeze but she leng food  
Tryna buck me in the restroom  
Goose in me girl, I'm tryna' let loose  
It's a zoo, my gorillas bring the tech' through  
You a fuck nigga, nigga, you don't pay homage

Bro'dy snuck in a blade with your name on it  
I got a bad one say she wanna' lay on it  
Put your face on it, put your weight on it  
I'm getting real buckies, baby, check the cash luggage  
Saw a meal ticket so she gonna' act on it  
Got the keys to the pussy in my back pocket  
Get me lit, girl, you gotta' put your stamp on it  
I'm talking Jimmy Choo, no BooHoo for you boo, no  
Big move when we move, your boo-boo knows  
She lovin' what she see's, my darg  
She belongs to the street, my darg  
That's why she's got love

Throw me a text
